Skyline Amenities

Skyline is a 100-acre masterplanned, mixed-use corporate park with over 2.5 million sf of office space with in-place amenities—restaurants, business services, a major fitness/health club, landscaped parks and plazas, residential units and abundant parking.

Skyline is very close to restaurants and eateries such as Gallery Café, Subway, Perfect Pita, Skyline Café and more.

An 85,000 sf fitness facility featuring 4 tennis courts, 4 racquetball courts, an indoor running track, 25-meter pool, café, nursery and full array of equipment, classes and related services.

Super Target provides many products and services (including pharmacy, photo developing and a small eatery).

Miscellaneous amenities include three convenience stores, two dry cleaners, three ATMs plus ATM services in other retailers, a beauty salon, a dentist's office, an insurance agency and a car wash.

Skyline also includes many thousands of housing units in the complex's condominiums and apartments, making a work/live/play environment possible for many employees, especially new hires looking for convenience and a safe environment.

Skyline is one of the safest urban environments in the Washington Metro area—with its own dedicated security force conducting roving patrols to provide a baseline security presence for the parking garages and major public areas of buildings.
